Alleged DUI Driver Arraigned in Connection With Fatal Traffic Accident

VENTURA, Calif. – Ventura County District Attorney Erik Nasarenko announced today that Jan Grissinger (DOB 09/07/73), of Port Hueneme, was charged with three felony counts and multiple special allegations relating to a traffic collision which resulted in the death of Linda Marron. Grissinger is charged with gross vehicular manslaughter while intoxicated, leaving the scene of a collision causing death, and driving under the influence of a drug causing death.

On October 22, 2026, at approximately 10:53 p.m., Grissinger is accused of driving under the influence of a drug in the city of Oxnard. At the intersection of East Gonzales Road and Snow Avenue, Grissinger allegedly ran a red light, striking the victim who was legally crossing the street. It is further alleged that Grissinger failed to yield, left the scene of the accident, and caused an additional collision several miles later when she collided with a fence.

Deputy District Attorney Clayton Reagan, a member of the Ventura County District Attorney's Office DUI Unit, is prosecuting the case.

Grissinger pled not guilty to all charges and is scheduled for an early disposition conference on November 5, 2026, at 1:30 p.m. in courtroom 12 of the Ventura County Superior Court. A preliminary examination is currently scheduled for November 9, 2026. She is being held in custody with bail set at \$50,000.
